

As soon as you set foot on **Gili Air**, you'll feel your body and soul fill up with an extreme sensation of **relaxation. Eco friendly island** - there are no motorized vehicles on Gili Air, the only way to get around is with the wonderful local horse-carts (Gili taxi), by bicycle or by foot. The friendly locals will help you climb aboard a horse- cart, to ensure your safe arrival at **Slow - Gili Air**, private pool villas.

The island has plenty of things to do. It is surrounded by white sandy beaches, crystal clear blue water and pristine coral reefs. Ideal for snorkeling, scuba diving, surfing and any other water sport.

Gili Air is located in the coral triangle, which is an area in the tropical marine waters, where the biodiversity underwater is the most developed in the world, 50% more species are discovered here then in the Red Sea. You can see up to 15 turtles on a dive.

We work in close collaboration with [Gili Travel Agency](#), which offer tailor- made travel in Indonesia and can help you book any services you'd like. Fill- out their [questionnaire](#) to see what your Indonesian adventure will look like.

The Gili Islands consists of three islands: Gili Trawangan, Gili Meno and Gili Air. Located between Lombok and Bali. There are no motorized vehicles on the islands, the only way to get around are horse carts, bicycles and off course, by foot. Most of the locals depend on tourism, meaning that the majority of restaurants and hotels are owned by locals. The white beaches, coral reefs and the crystal clear blue waters surrounding the Gili's, attract many visitors.

There are many different activities besides swimming and sunbathing on Gili Air and the surrounding islands.

Ask us at reception, we can help you book everything!

FREEDIVING

Apnea Total Beginner Course

This course will enable you to feel safe and comfortable when freediving to depths of up to 20 metres. Although this might sound difficult to achieve in a few days, you will be surprised what an experienced team of Freediving Instructors can do for you. Our unique breathing techniques, together with the effective structure of the course program in the classroom and water sessions, creates a fun educative environment and a successful freediving experience.

The Freediver Course runs for 2 days and is divided into 2 academic lessons and 2 water sessions. During our academic classroom session the Instructors will interact with you using videos, questions and different breathing exercises which will help to improve confidence, knowledge and techniques prior to the afternoons water session. During our water sessions we have a normal ratio of 2 students for 1 Instructor, with an absolute maximum of 3 students for 1 Instructor, which allows for greater personalised attention and tuition. Your Instructor will be with you at all times, regardless of depth, increasing your confidence and safety.

On completion of the Freediver Course, you will receive your certification as well as private online access to the Freediver Course materials, so that you can maintain and refresh your freediving knowledge.

BOAT ACTIVITIES

If Scuba is not your thing but you want to spend a fantastic day out on the water then jump on the boat with Madi – our boat captain. Madi has 12+ years of experience as a scuba dive boat captain, he worked hard and eventually purchased his own boat, from which he offers the following private activities....

SNORKEL TRIPS

Visit three of the best spots in the Gilis on a private snorkeling trip for 2 or 4 hours, our islands are famous for turtles and colorful marine life. The three islands have many diverse coral reefs surrounding them; no two sites are the same! Madi is your personal captain and marine-guide, you will have private use of his boat, he'll jump in the water with you to point out cool species like octopus, cuttlefish and lobster.

Madi has an amazing knowledge of the waters around the Gilis, he will take you to the two or three best sites based on weather conditions that day, but often he stops at Turtle Heaven, Halik Reef, Sunset Reef and Meno Wreck. If you chose the 4 hour tour you will stop for lunch on a lovely beach on Gili Meno.

Price: 2 persons / 2 hours 750,000 or 2 persons / 4 hours 950,000

(add 150,000 per extra person)

DEEP SEA FISHING

Try your hand at deep sea fishing.... Cruise out on Madi's boat to some deeper waters and discover his secret fishing spots. You will head out to the North of Gili Air, crossing over Simon's Reef at 25m depth and beyond into deeper waters of around 60m. There you will be trawling with a line and try to catch Barracuda, Spanish Mackerel, Giant Trevally and other species of large pelagic ocean fish. Check out the 10kg Spanish Mackerel they caught recently:

While out fishing you might be lucky and see turtles at the surface, flying fish, dolphin or even large species like whale shark! Maybe you can learn some boat driving skills? And of course whatever you catch you can bring back to Slow and the staff will BBQ it for dinner for you!

Price: up to 4 person / 3 to 4 hour trip / 1,250,000 IDR

SUNRISE DOLPHIN SPOTTING TOUR

Spend a morning on the water with Madi looking for pods of Dolphin! You will head out on the boat early while the sun is still rising behind Rinjani and head north towards the top of Bali and then out into deeper waters. The water is usually beautifully flat at this time of the morning. You might see turtles, flying fish, jacks jumping out of the water to escape from hunting tuna and schooling fish cruising just below the surface.

On the rare occasion you may even find something spectacular like a whale shark! Madi will use his experience and knowledge to try his best and find you some dolphin. If you ask him you can even try your hand at driving the boat! You can jump in and swim in the deep blue waters, take some cold drinks and snacks on the boat; whatever you wish... it's your private boat tour!

Tour starts at 6am but you can start later if you wish, just ask us!

Price: minimum 2 person / 3 to 4 hour trip / 1,250,000 IDR
